with curcumin, copper and vitamin C.

SmartChoice

 MINAMI®

MorEPA **MOVE**

‘On the Move’ for flexible joints*
with curcumin, copper and vitamin C.

***Curcumin** helps to keep the joints flexible and contributes towards strong bones. **Vitamin C** plays a role in the normal formation of collagen for the normal function of cartilage and bone. **Copper** helps to maintain normal connective tissue, including bones, cartilage and tendons.

Target group

Adults
Athletes

Applications

- Flexible movement
- Supporting joints (curcumin)
- Tendons (copper)
- Cartilage (vitamin C, copper)
- Bones (curcumin, vitamin C, copper)

Recommended use

Maintenance dose: 2 softgels a day at mealtimes

Acute dose: 2x2 softgels a day at mealtimes.
Take this dose for at least two weeks.

The highest possible quality

Contents per 1 softgel (fish gelatine with orange flavouring)

Purified deep sea fish oil	700 mg
Of which omega 3 (r-triglycerides)	640 mg
EPA (eicosapentaenoic acid)	444 mg
DHA (docosahexaenoic acid)	136 mg

- Highly concentrated pharmaceutical-quality fish oil.
- Fish oil obtained via patented supercritical CO₂ extraction.
- Fish oil freshness ensured by the addition of Miradoxan (mix of rosemary and tocopherol-rich extract).
- Optimal absorption due to the restructured triglyceride form of the omega 3 fatty acids (rTG).

Curcumin phytosome (Meriva®, Curcuma longa)

250 mg

- Natural curcuminoid complex: 75% curcumin, 15% demethoxycurcumin and 10% bisdemethoxycurcumin.
- Optimal absorption due to the combination of curcuminoids with non-GMO soya lecithin = phytosome.
- 29 times more easily absorbed than standard curcuminoids without combination.
- Proven quality original Meriva®.

Vitamin C (L-ascorbic acid)

60 mg (75% RI*)

Copper (easily absorbed copper gluconate)

0,5 mg (50% RI*)

**RI: Reference intake*
